

FRESHIN

(Odor controller & deep cleaner)

The product is a technologically advanced odor controller and cleaner formulated for use on hard surfaces and carpets. It is unique formulation that provides instant binding of odor causing molecules and destruction of the bound odor molecules in a single application. This is result of intensive R&D efforts to engineer a odor controller-cleaner combination that goes a step beyond other products available. It is fully biodegradable and completely environment-friendly.

Application Areas :

- Bathrooms and Public Area Rest rooms.
- Locker rooms.
- Carpet and Upholstery Stain and Odor Eliminator.
- Fitness facilities.
- Laundry rooms.
- Elevators
- Loading docks.

Benefits & Advantages :

- Effectively controls all major classes of malodorous compounds.
- Deep-cleans by penetrating the pores of surfaces, carpets and underlying areas and degrading residual organics. Prevents the return of persistent malodors by removing the source.
- Removal of stains from fabrics with non-resoiling cleaning capabilities.
- Eliminates lingering organic odors and brings nature's secret indoors for a fresher, cleaner environment.

Directions for Use : Mix contents well. Test an inconspicuous area for colourfastness if being used on carpets, upholstery or fabric.

- Ready to use. Apply as direct spray, not as atomizer.

Product Characteristics :

- pH range : 7.5 - 8.5
- Flash point : Non-flammable
- Appearance : No color added
- Fragrance : No fragrance added

Packaging : Minimum quantities apply. Please contact dealer/supplier for detailed price list.
