

MULTIKLEEN (Multi - application cleaner)

This product provides single - product simplicity, with multi - application flexibility. No other (bio) formulation provides this unique combination of deep cleaning, sanitizing and odor control features. This is the result of intensive R&D efforts which incorporates the latest developmental techniques in biotechnology to achieve far superior deep cleaning and odor control capabilities. It was developed specifically to overcome the limitations of "all-purpose cleaners" available in the market.

Application Areas :

- Degreasing, cleaning and odor control of all hard surface finishes such as glass & mirrors; shiny floor surfaces; polished granite and marble; kitchen bathroom sinks, & all bathroom fixtures.
- Drain lines and grease traps.
- Odor control and deodorizer for garbage and waste areas.

Benefits & Advantages :

- Provides superior, long-lasting cleaning, stain removal & odor control.
- Degrades residual organics (e.g. grease, food spills, urine, etc.) to provide continual deep-cleaning action.
- Prevents the growth of undesirable disease-causing organisms.
- Keeps drain lines, sumps & septic tanks unclogged and free of odor.

Directions for Use : Mix contents well before use. Product can be applied in a variety of ways (swab, spray and/or wipe; mop & bucket; or in floor cleaning equipment).

- Floors : Dilute 1% to 3% in bucket
- Cleaning machines : Use as per machine manufacturers' instructions.
- Fittings : Spray, swab and wipe at full strength.
- Odor control : Spray full strength
- Drains : Add 50-250 ml per 1-2 inch diam. drain pipes.
- Grease traps : Add up to 500 mL in trap or in drain close to trap.

Product Characteristics :

- pH range : Neutral
- Flash point : Non-flammable
- Appearance : Creamy - white
- Fragrance : Pleasantly perfumed

Packaging : Minimum quantities apply. Please contact dealer/supplier for detailed price list.

• Pack size(s)	2 x 5 kg (or L)
----------------	------------------

Shelf Life & Storage: 2 years at 2^o C to 35^o C. Store in cool, dry place.

Precautions : While this product is non-toxic, non-corrosive and non-poisonous, it is nevertheless wise to keep it out of reach of children, and to follow basic precautions of use. Wash hands with warm, soapy water after use. Avoid contact with eyes, open cuts or sores. In case of eye contact, flush with water for 15 minutes. Call a physician.
