

TRAKLEEN

(Porous surface cleaner & degrader for mineral oil spills and stains)

This is a unique, quick-acting and effective biological formulation that removes stains resulting from spilled petroleum products from nearly all surfaces (hard and porous) regardless of application. The product may be used alone or in conjunction with other bioremediation products such as the Hard Surface Cleaner for Mineral Oil. It is fully biodegradable and completely environment-friendly.

Application Areas:

- Rapid degradation of oil spill components.
- Biodegradation of surface and sub-surface oils.
- Cleaning of equipment and vehicles.
- Cleaning of concrete and other industrial-type floors.

Benefits & Advantages:

Shortens clean-up times, increases contaminant bio-availability and initiates biodegradation. Cleans surfaces of oil spills and stains. Cleans oily equipment, vehicles and tools. Enhances biodegradation above and below ground surface when used as recommended. Contains no petroleum distillates or solvents. Contains no harmful chemicals. Eliminates ugly stains naturally and safely.

Directions for Use: Mix contents well. Use in concentrated form or at dilutions up to 1:25 as below:

- | | | |
|----------------------------|---|-------------|
| • Heavy aged oils stains | : | Concentrate |
| • Fresh oil stains | : | Use @ 10% |
| • Tool clean-up | : | Use @ 33% |
| • Parts clean-up | : | Use @ 20% |
| • General purpose cleaning | : | Use @ 4% |

Product Characteristics :

- | | | |
|---------------|---|-----------------------|
| • pH range | : | 10.4 - 10.7 |
| • Flash point | : | Non - flammable |
| • Appearance | : | Creamy - white liquid |
| • Fragrance | : | Floral |

Packaging : Minimum quantities apply. Please contact dealer/supplier for detailed price list.

• Pack size(s)	2 x 5 kg (or L)
----------------	------------------

Shelf Life & Storage: 2 years at 2^o C to 35^o C. Store in cool, dry place.

Precautions : While this product is non-toxic, non-corrosive and non-poisonous, it is nevertheless wise to keep it out of reach of children, and to follow basic precautions of use. Wash hands with warm, soapy water after use. Avoid contact with eyes, open cuts or sores. In case of eye contact, flush with water for 15 minutes. Call a physician. Do not use this container for storing beverages or other liquids. Contains BioActive formulation contains no phosphorus

Manufactured using Novozymes Biologicals, USA.
